

The Tripti Massage & Facial Table is designed for professional salons and spas. Crafted from solid beech wood, Tripti offers excellent durability, comfort, and functionality. It features spacious under-table storage for towels and accessories, a manually adjustable height, and an inclinable backrest with a corrosion-resistant reclining mechanism. The 40 density / 75 mm foam cushioning with easy-to-clean leatherette upholstery ensures superior comfort during treatments. Includes detachable armrests and an adjustable external face cradle for enhanced client support.

KEY FEATURES

Elegant Wooden Design with Smart Storage

Crafted from solid beech wood, Tripti combines durability with timeless spa aesthetics, while the spacious open storage underneath keeps towels, cosmetics, and essentials conveniently within reach.

Therapist-Friendly Functional Adjustments

With manually adjustable height and a corrosion-resistant reclining mechanism made from stainless steel and nylon, Tripti offers reliable positioning and ergonomic support for professional spa use.

Comfort-Focused Multi-Treatment Design

Featuring a 40 density / 75 mm cushioned top, adjustable backrest, detachable armrests, and external face cradle, Tripti ensures superior comfort for both facial and body massage therapies.

Phthalate-Free Upholstery

Available in Phthalate-Free upholstery across its spa furniture range, offering a safer and more eco-conscious alternative with lasting comfort and durability. The upholstery combines refined aesthetics with professional-grade performance.
