

Uday is a premium facial, massage, and waxing bed designed for spas and salons with limited space. Featuring spacious covered storage with dual-side sliding shutters, it offers easy access to towels, creams, and spa essentials during treatments. Crafted with a solid wood frame and durable waterproof shutters, Uday combines strength with elegance. The 40 density / 75 mm foam mattress upholstered in soft, easy-to-clean PVC leatherette ensures superior comfort, while the manually adjustable backrest and face hole with plug enhance functionality for facials and massage therapies.

KEY FEATURES

Space-Saving Design with Full Covered Storage

Uday is thoughtfully designed for spas and salons with limited space, featuring spacious covered storage underneath to neatly organize towels, creams, oils, and daily spa essentials. The sliding shutters can be conveniently operated from either side during treatments.

Durable Wooden Construction

Crafted with a strong solid wood structure and reinforced with tenon & mortise joinery, Uday offers exceptional stability and durability. Its corrosion-resistant reclining mechanism and waterproof shutters ensure long-lasting performance in demanding spa environments.

Comfort-Oriented Multi-Treatment Functionality

Ideal for facials, massages, and waxing treatments, Uday features a manually reclining backrest, face hole with plug for comfortable face-down positioning, and a 40 density / 75 mm soft foam mattress upholstered in premium easy-to-clean PVC leatherette.

Phthalate-Free Upholstery

Available in Phthalate-Free upholstery across its spa furniture range, offering a safer and more eco-conscious alternative with lasting comfort and durability. The upholstery combines refined aesthetics with professional-grade performance.
