

# ZERO GRAVITY

An electric recliner designed to enhance spinal health, comfort, and deep relaxation. Based on the principle of neutral body posture, it helps decompress spinal discs, relax the lumbar spine, and improve blood circulation. Equipped with dual motors, the backrest and leg section can be independently adjusted to achieve the perfect recline angle. Ideal for spas and wellness lounges, this premium relaxation lounge can also be paired with our Pedicure Trolley featuring a Copper or Brass Bowl for a complete spa setup.
