

NEW NALINI NAIL TABLE

The New Nalini Nail Table is easy to ship design, shipped flat packed and can be easily assembled on site. It is equipped with a nail dust extraction system and a power socket with a USD port to connect any external LED/UV Nail Lamp. The nail Dust Extraction system comes with easy-to-clean and washable filters and an elegantly designed stainless steel grill on the top. There is 1 x large drawer cabinet and 1 x detachable tray in solid wood for nail paint display. It is finished with Italian polyurethane coatings with RAL 9010 shade. The wood coatings are acetone-resistant.
